

My bus driver is Mrs. Brogan and she drives me to Whiton Elementary school every day on bus seven. She is a special bus driver because she keeps us safe and happy. Mrs. Brogan keeps us safe by teaching us bus evacuation's and gives us thumbs up when crossing the street. She makes all of us happy by playing fun music like Cotton Eye Joe! She also gives us gifts on special holidays like pencils and crayons. I love my bus driver because she is the best bus driver in the whole world!
