

My Favorite Bus Driver

My bus driver Mrs. Oliphant at Shepherd Elementary school is my favorite bus driver because she's caring and absolutely responsible and gets me home safely and to school. I'm going to talk about how caring she is. When I feel like I can throw up she gives me a bag. She also lets me listen to my awesome

My Favorite Bus Driver

music with my cd player!
She always lets me do my
wonderful homework on
the bus. She is responsible
of getting me home on time.
Also she is responsible for all of
us. Also she is responsible
for everything on the bus.
On the bus you only sit down.
Definitely no standing no up! Absolutely
no fighting! I absolutely love Mrs. O'Leary
Hunt!
