

My Favorite Bus Driver

Kurt Anfinson, "Norske" would be considered a special bus driver. He is not only my bus driver he is a cake baker. When it is my birthday he makes my cake. Kurt is always nice to whoever is on the bus, he even has a couple laughs from us once in a while. Otherwise he is concentrating on the road. He has had to put up with kids for a lot of years. "Norske" is not married so we are his kids. When we ask him for a certain station he tries to make us laugh by changing to polka, his favorite.
