

Mrs. Woody

The Greatest Bus Driver Ever

By Keirra

I have a bus driver; her name is Mrs. Woody,
When it comes to driving buses, she is very goody.

She's nice and sweet, and kind and things,
I think she deserves a diamond ring.

At the stop she always waits,
Even if you are running late.

If you're sad, she's concerned for you.
She always knows just what to do.

On the bus she's calm and cool,
Even when kids don't follow the rules.

She disciplines those who misbehave
With the loving patience of a saint.

She greets us with a smile to start the day
And drives us all safely on our way.

And when our time on the bus is done,
She always encourages us to have fun.

My bus driver is as kind as she can be
And she inspires me to be happy.

Even my little sisters who are almost five
Meet me at my stop just to say hi
To the greatest bus driver alive ... Mrs. Woody.
