

My bus driver

by: Susanne

My bus driver is the best.

On tuesdays & thursdays I have gymnastics. I get off at the first stop.

If for some reason my mom is late and comes at the second stop Mrs. Cook will let me off. Another example, In the morning I am the

third stop and the bus comes at 6:40 am!

Sometimes me & my friends are still walking up the hill she'll wait! Mrs. Cook also pulled my

8th tooth! It was a very fun experiment! People ask why I made her do it and I say "She wanted too!"

I LOVE getting on the bus every day! It just makes me smile! Mrs. Cook has been my bus driver for 3 years. She

is **Definitely the BEST!**
