My

lakeshore elementary,

bus 145.

I

145.

My bus

driver is Mr. Billy BOB (or at least that's what we call him) and here

are some reasons that I

think my bus driver is special!

First of all I think Mr. Billy BOB

is special because there is

a kindergartner named Dylan

on the bus

and Mr. Billy BOB lets Dylan

get off first because he has

had problems with other kids

pushing him. To make Dylan
feel special Mr. Billy Bob

Let's Dylan open the bus

door when we get to lakeshore

if we want

the radio louder or softer

We just ask and he will

do it. Sometimes he even lets

us talk on the bus radio!
